

Is-y-coed Community Hub

Coffee Mornings

We started our new venture in January meeting in the Village Hall on Thursdays. Our first morning got off to a good start with a small group of villagers who enjoyed the conversation and some played dominoes and renewed their chess skills whilst teaching others. There was an endless flow of tea and coffee which helped to wash down the biscuits which were all provided free of charge.

The weather did let us down a little bit with a heavy snow shower at about 7.30 am. We still had a steady flow of visitors throughout the morning and into the afternoon once again tea, coffee, and biscuits along with some very delicious brownies kindly supplied by Sharon Worsnop were in abundance.

Better weather and building on our success of the last two weeks with the word getting around we welcomed a number of new faces to join our regulars. We saw an increase in books on the book table (all free to take away).

We would like to thank all those who have helped make our Hub a success. Firstly, all the attendees without whom there would be no hub. Secondly Wrexham Council for help with funding and our community agents Sharon, Hayley and Sarah for their support. Last but not least Many thanks to Sharon Worsnop for her supply of delicious cakes.
